Dear Client:

This letter memorializes the business relationship between you (“You or “Your”) and Back Office Consults Incorporated (“BOC”).

In any and all communications, BOC is a healthcare business consulting company. It does not offer or provide professional accounting or professional legal services. BOC has not stated or acted as anything but a healthcare business consultant and does not hold itself out as attorneys, accountants or any licensed professional other than a chiropractor.

By signing below, you acknowledge that all of your past, present or future business relationships with BOC are and will be consistent with the foregoing.

The degree to which Your healthcare practice succeeds is dependent upon many factors, the vast majority of which are uniquely Your responsibilities and based upon Your personal efforts and decisions. Accordingly, BOC cannot guarantee the degree to which services and products provided by BOC will improve your practice. Therefore, BOC hereby disclaims any and all warranties or guarantees with respect to services and products provided to You, including, but not limited to, warranty of fitness for a particular purpose.

BOC strongly urges that You obtain qualified legal and accounting services in all material business decisions, include those involving the same matters for which BOC provides services and products to You.

By signing below, You agree that the foregoing represents Your understanding and agreement with the foregoing.

Please sign and date this letter below and fax to the number shown above.
